Bangalore, Dated the 9th August 1910.

Dear sir,

In reply to your D.O.letter No.Fl.697 dated the 6th instant, enquiring what kind of expenditure the Press Superintendent has to incur out of the Imprest of Rs.100 asked for Census purposes and why it should not be charged to the Press Budget itself, I herein enclose for the information of the Government, copy of a D.O.letter dated the 9th idem from Mr.Yates furnishing the required information.

Yours sincerely,

D.O.letter of the 9th August 1910, from Mr.Yates, Superintendent, Government Press, Bangalore, to the Assistant Census Superintendent in Mysore.

---

With reference to your D.O.of this day re Imprest of Rs.100 to be placed with me to meet expenditure for Census work, let me inform you that the same is required to meet expenses in connection with the employment of extra coolies for packing,purchase of gunnies and ropes, postage, railway, cart-hire and other charges. During the last Census, an Imprest of Rs.100 was placed with the Press and bills were sent to Census Superintendent every month for adjustment. A statement showing the amount spent each month --- during the last Census is herein enclosed. It is not possible to meet this expenditure from Press imprest of Rs.100 as the same is not sufficient to meet the requirements of several Branches. Hence my proposal for a separate Imprest of Rs.100 as on previous occasions.

Submitted.

11-8-10 There seems to be no necessity to increase the imprest for this purpose. The Census Supdt may incur expenditure on census work from his own imprest. Nothing more can be done to accomplish advance action or hurry more effective than usual. The items relating to Civil Surgeons may be collected and all such items prepared and sent by Comptr for audit after obtaining the Commissioner of the Census Supdt thereto. The Charges are not of such a nature as to be debitable to Census budget as they are met & recovered & the Census work which the Surgeons execute, and for which a separate budget provision has been made.
